4.10 Lendahand will not invoice you costs for the registration and maintaining of the Account. The costs you have incurred for the registration or the maintaining of the Account are fully at your own account.

5. Investing via Lendahand

5.1 Investments take place via the Lendahand Website by purchasing one or more Bonds. The Lendahand Website publishes the Propositions to which an Investor can subscribe. A Proposition arises by an Investment request of a Business to a Local Partner who assesses the Investment request and forwards it to Lendahand if it meets the relevant requirements. Lendahand will then place the Proposition on the Lendahand Website, after which the Investors can subscribe to the Bond loan belonging to a certain Proposition.

Each Proposition is linked to one Category. This means that when a Local Partner or the Business forming part of a certain Category does not make a (full) payment to SME Finance and SME Finance can therefore cannot distribute payments to Lendahand with regard to that Local Partner or Business, the Investor, being the holder of a Bond in this Category, will not receive a (full) payment of Lendahand. The Investor of the relevant Category of Bonds will therefore factually run the credit risk on the Local Partner or the Business belonging to the relevant Category.

The credit risk per Category varies as the credit profile of the Local Partner and Business varies per Category.

The Bonds Categories are indicated on the Lendahand Website and in the Confirmation

email by way of reference to the Local Partners. The referral to Local Partner X in the Confirmation email therefore coincides with Bond Category X. The means received by Lendahand Finance for the issue of Bonds of Category X are invested via an investment in SME Finance in a loan to Local Partner X. The Lendahand Website and the Confirmation email refer to Category X by way of referral to Local Partner X.

5.2 A Proposition will in any event contain the following information: the investment proposal, the Investment amount, information on the Business and its affiliated company and the duration of the Investment.

5.3 A Proposition will remain open for subscriptions on the Lendahand Website for no more than sixty (60) days, as of the date of the Publication. If during this period the Investment amount required for the Proposition has been collected, then the Proposition will be closed. If the full investment amount has been received from Investors by Lendahand in respect of the Proposition, then the Investment amount is interest bearing pursuant to article 5.10 as of the first day following the month in which the Bond loan is fully paid up for a Proposition. If a Proposition is performed, then Lendahand will make a capital investment for your account and risk for the relevant amount of the Investment.

5.4. The duration of an Investment is 6, 12, 18, 24, 30, 36, 42 or 48 months as of the Interest date. After this period has lapsed Lendahand will repay the relevant Bonds by paying (i) (a part of the) nominal value of the Bond and (ii) the Interest.

5.5 If the Investors has indicated in the Agreement that the amount stated on the Account must be paid into a bank account as stated by the Investor, then Lendahand will pay the relevant amount, after SME Finance has received the corresponding amount from the Local Partner (or the business, if SME lends to the business directly), and SME Finance (or the Business) has paid the corresponding amount to Lendahand, no later than within five (5) days after receipt into this bank account.

5.6 If the Investor has indicated that the amount administered on the Account will be reinvested, then the Investor has the following options after the period stated in 5.4:

(1) The Investor will indicate to Lendahand no later than within five (5) days after publication (in the Account) to invest the relevant amount. To this end the Investor purchases one or multiple new Bonds and registers on a new Proposition as selected by the Investor. The Investor acquires the newly issued Bonds as soon as technically and administratively possible, pursuant to this article. As long as the Proposition, to which this Bond pertains, is open for subscription, and up to and including the new Bonds issue, the money committed by the Investor is deemed to have been allocated for the payment of the Purchase price of the relevant Bond(s). In cases where the amount stated on the account is not divisible by the nominal value of the relevant Bond, the Investor will receive the highest possible amount of Bonds on the issue date of the Bonds. The remainder of the amount will be paid within no later than five (5) days after receipt into a bank account as stated by the Investor.

(2) The Investor indicates that the relevant amount can be invested in the Proposition that has the smallest amount outstanding at that time. This investment will then be automatically made.

5.7 As an Investor, you can made investments via the Lendahand Website once you have registered and have opened an Account.

5.8 You invest by subscribing to a Proposition (Chosen Proposition). Subscribing means that you purchase one or more Bonds and also accept these Terms and Conditions. Before you agree to the content of the Agreement, you have the option to see the Agreement and these Terms and Conditions and to save them into a sustainable information carrier. The Agreement is only concluded if you have logged in and follows the steps as indicated on the Lendahand Website after having logged in.

5.9 Bonds are issued in series, each of which corresponds with a Proposition. The Interest you receive depends on the way in which you invest and the return achieved on the Proposition. Please find enclosed the current information with regard to interest percentages on the Lendahand Website. If you invest you will receive the interest percentage on each Bond as it applies to a Bond for a certain investment. All Interest is annual.

5.10 A Bond is acquired the moment subscription, after payment of the Acquisition price. Issue of the Bonds takes place pursuant and subject to these Terms and Conditions. The Bonds are not convertible and are not listed. The Bond will become interest bearing as per the Interest date. Lendahand retroactively pays the interest per the Interest period on the Interest payment date.

The payment of the Interest and Repayment only takes place if the Bonds generate a return. This means that only the Interest and Repayment are made if distributions are made on the underlying (capital) investment that is related. There is no obligation to pay Interest and Repayment if Lendahand does not receive payment from SME Finance with regard to a (capital) investment made for the financing of the Local Partner or Business (if SME Finance directly lends to a Business) by SME Finance.

If the Local Partner (or Business) does not make any payments to SME Finance with regard to this Local Partner (or Business) with regard to Category Bonds and SME Finance therefore does not make any distributions to Lendahand, then there is no payment obligation (of Interest and/or Repayment) of Lendahand to the Investors on these Category Obligations. This means that if Local Partner A complies with his obligations in respect of SME Finance with regard to Category A and SME Finance makes a distribution to Lendahand, then the Investors in these Bonds (Category A) have the right to make the relevant payments (Interest and/or Repayment). Payments of the Local Partner A to SME Finance, which then proceeds to distribute to Lendahand, will never be used by Lendahand for Repayment and Interest of other Category Bonds.

5.11 Lendahand explicitly retains the right, without stating a reason, to refuse a subscription or not to effectuate it. The Investors cannot derive any rights from this.

5.12 The Bonds form a direct and unconditional obligation of Lendahand that are of similar importance in respect of each other without there being any difference in preference. The investors are also equal with all the current and future creditors of Lendahand, with the exception of preferential creditors.

5.13 In the event of a dissolution or bankruptcy of Lendahand, or during the period Lendahand has been granted suspension of payment and in the event that Lendahand offers a settlement to its creditors (within the meaning of the Bankruptcy Act), the Bonds are equal to all current and future not subordinated obligations of Lendahand, regardless of whether such debts are claimable and payable, conditional or unconditional and regardless of the date they have arisen, with the exception of obligations that are subject to a priority right.

5.14 Unless repaid earlier, as stipulated in these Terms and Conditions, Lendahand will repay the Bonds on the Repayment date. If the Local Partners (or Businesses if SME Finance finances them directly) is repaid to SME Finance earlier and SME Finance pays this money to Lendahand, then the Bonds can also be repaid earlier. The repayment will in principle be linear on a 6-monthly basis. The repayment is always per Bond. You can never demand the amount back from Lendahand which you have invested via the Lendahand Website, except on the basis of these Terms and Conditions. For clarification purposes, the actual Repayment and payment of Interest only takes place when a payment is made by SME Finance to Lendahand. This payment depends on the repayment by the Local Partner to SME Finance, which in turn is related to a Category linked to that Local Partner (or Business, if SME Finance lends to the Business directly). This means that when Lendahand does not receive payments from SME Finance, as SME Finance has not received payment from a Local Partner (or Business, if SME Finance lends to the Business directly) that is related to the relevant Category of Bonds, Lendahand will make no payment with regard to the relevant outstanding Bonds.

5.15 Interest and Repayment are administered in the Account. If the denomination of the Bond(s) is in foreign currency, then the counter value of the nominal value of the Bond and the Interest will be administered in euro into the Account. As such, the sales price is applied as published on 11.30 a.m. on the day of administration (or of the previous Working day if the administration is done earlier than 11.30 a.m.), on the following web page of ABN AMRO: <http://www.abnamro.nl/nl/zakelijk/treasury/valuta...> With due observance of Article 5.5, Lendahand will make the administered amount payable into the Dutch bank account as instructed by the Investor or will invest it in a new Proposition. The payment of Interest and Repayment by Lendahand will have a releasing and discharging effect by making the amount payable into the bank account of the Investor or by investment in a new Proposition as referred to in the previous sentence.

5.16 When the payment needs to be made by way of a transfer into a personal account, a payment instruction is provided for the distribution. This will be done no later than within 5 days after the date of payment.

Investors are not entitled to Interest or other payments for the delayed receipt of the amount due after the date the Interest is paid or the date a Repayment is made.

5.17 The Bonds are transferable with due observance of that stated in this Article. The Bonds are exclusively issued for sale and trade in the Netherlands. Lendahand accepts no responsibility or liability with regard to a transfer of Bonds outside the Netherlands. The ownership of the Bonds can only be transferred by a deed of assignment to this end and after written approval of Lendahand. Lendahand will process any transfer in its administration. The administration costs for the processing of a transfer of Bonds amount to EUR 0.50 per Bond and are invoiced by Lendahand to the purchaser of the Bond(s). That stated in this Article 5.17 applies in full to the establishment of a right of pledge on Bonds and or the establishment or delivery of a right of usufruct on Bonds.

5.18 The Lendahand Website keeps a record of which amount is registered on a certain Proposition. Every time an Investor invests, this will be visible for each visitor of the Lendahand Website. However, the moment an investor uses his/her dissolution right (within the meaning of Article 14), and then the amount that represents the dissolved Agreement will be deducted from the amount published on the Lendahand Website. This means that if you have made an Investment and have concluded an Agreement as part thereof, the invested amount published on the Lendahand Website the moment that

Agreement is concluded can go down upon concluding the Agreement.

5.19 The Investments you make via the Lendahand Website are made for your own account and risk. Lendahand hereby explicitly points out that you can lose the full amount you have invested in some cases, for example in the event of the insolvency of the Local Partner or the Business, or when the Local Partner or Company fails to pay SME Finance for another reason and SME Finance therefore makes no payment to Lendahand. Your Investment does not lead to any form of control in Lendahand, SME Finance, the Local Partner and/or the Business.

5.20 As Investor you are aware that the Local Partner, Lendahand, SME Finance and the Business and the investment you make via the Lendahand Website are not subject to the supervision of the Authority Financial Markets and the Nederlandsche Bank and that the deposit guarantee scheme, the investor compensation regulation nor any other guarantee scheme apply to these investments. Per Category Bonds an annual amount of no more than EUR 2,500,000 is issued in Bonds and Lendahand is therefore not obliged to issue a prospectus (with adequate use of the correct exemption statement (wild west sign)) in respect of the issue of the Bonds.

5.21 Lendahand cannot guarantee that you will obtain any benefit from your investment. This is a high-risk product. You are aware of these risk'.

11. Costs, taxes and levies

11.1 Unless otherwise agreed in an Agreement or in these Terms and Conditions all the costs related to the registration, administration and issue of Bonds are payable by

Lendahand.

11.2 All taxes, levies etc. - under any name and levied by anybody - relating to the relation between you as Investor and Lendahand are for your own account, unless otherwise has been agreed by you and Lendahand in writing or if a provision of statutory law prescribes otherwise. As an Investor you are responsible for the tax return with regard to your Investment.

12. Liability and indemnification

12.1 Lendahand does not accept any liability for damage resulting from any act or failure to act from Lendahand, a Local Partner or a Business. Lendahand is never liable for consequential or professional damage, indirect damage and loss of profit or turnover.

12.2 If Lendahand, for whatever reason, be liable to pay any damage, this damage will never exceed the amount of the Investment.

12.3 Lendahand does not accept any liability for damage arising as a result of you having provided incorrect and/or incomplete information.

12.4 Lendahand has taken measures to ensure that you can pay safely via the Lendahand Website. This is a service provided by a third party. Lendahand bears and does not accept any responsibility or liability in this respect.

12.5 The content of the Lendahand Website and the content of all the other publications of Lendahand on the Internet have been drawn up with the greatest possible care. The information placed for the Propositions on the Lendahand Website is obtained from third parties. Lendahand does not accept any liability for the content of the information placed by you or third parties.

12.6 It is possible for Lendahand to include hyperlinks on the Lendahand Website to other websites that might be interesting or informative for the visitor. These links are purely informative. Lendahand is not responsible for the content of the internet sites to which reference is made or the use made thereof.

12.7 Lendahand is not liable for any errors, inaccuracies, misunderstandings, delays present or the unclear presentation of notifications as a result of the use of the internet or any other (electronic) means of communication in the traffic between you and Lendahand and between the Local Partner and Lendahand, nor for the consequences of the use of the information in question. Lendahand also rejects any liability with regard to the answers it has provided to questions.

12.8 Lendahand is not liable for any damage caused by temporary or permanent unavailability, absence or removal of the Lendahand website as result of maintenance or other reasons. Lendahand is also not liable for the accurate and undisturbed functioning of the telecommunications infrastructure and the equipment used or for the failure or unavailability of its system, nor for the possible consequences thereof. This includes, but is not limited to, a disruption in the connection with internet providers, disturbance in the telecommunications connections used, full capacities of lines, power failure and other disruptions.

12.9 The limitations of the liability of Lendahand included in this Article do not apply if it involves intent or recklessness of Lendahand or its board members.

12.10 You indemnify Lendahand against all claims, liability, loss, damage and costs incurred by Lendahand due to the violation of you and your obligations on the basis of the Agreement(s), insofar as the law does not oppose that the relevant damage and costs must be paid by you.

13. Force Majeure

13.1 In the event of a force majeure Lendahand is not complied to meet its obligations in respect of you as Investor, or its obligations in respect of you as Investor are suspended for the duration of the force majeure. A force majeure is defined as each independent circumstance arising against the will of Lendahand, causing its compliance of its obligations in respect of you as Investor to be fully or partially obstructed. This can include operational disruptions, power disruptions, fire and the lack of any legally obtainable permit. A force majeure also includes disruptions in a (telecommunication) network or connection or used communication systems and/or the Lendahand Website being unavailable at any time.

14. Dissolution and termination

14.1 Lendahand is authorised to terminate the Agreement(s) in writing, effective immediately and without notice of default, and/or to suspend the obligations of Lendahand and/or to permanently exclude you as Investor from the services and/or products of Lendahand and/or to remove the notifications placed by you as Investor on the Lendahand Website without prior notification, or to make them inaccessible if: a) you fail to meet all your obligations from the Agreement(s), or fail to (fully) comply with them on time, or if you act in violation of these Terms and Conditions and/or the Agreement, also if this is the result of a force majeure within the meaning of Article 13; b) Lendahand is informed after concluding the Agreement(s) of circumstances that give good grounds to fear that you will not be able to comply with your obligations from the Agreement(s); c) when you as Investors are subject to the Debt Repayment (Natural Persons) Act or a request thereto has been made, you are in suspension of payment or have requested suspension of payment or if you as Investor are declared bankrupt or if bankruptcy has been requested; d) you or Lendahand has terminated your Account; e) circumstances arise that are of such a nature that the Agreements(s) cannot be complied with or an unchanged maintaining of the Agreement(s) cannot reasonably be expected from Lendahand.

14.2 If Lendahand proceeds to take the measures described in Article 15 on the basis of the grounds described in that Article, Lendahand is not complied to pay any damages or costs arising as a result. However, Lendahand can claim damages it has suffered due to its own circumstances from you.

14.3 The Agreement(s) is/are terminated if one of the following circumstances occurs: (i) Lendahand stops its activities, (ii) Lendahand is dissolved, (iii) Lendahand is declared bankrupt, or a bankruptcy has been requested, or (iv) Lendahand has requested suspension of payment or is subject to a suspension of payment. In this case the termination of the Agreement(s) does not affect the Bond(s) you hold. Only the services granted by Lendahand as part of the Agreement(s) will in that case lapse.

14.4 Upon terminating the Agreement(s) or termination of your Account, you will remain bound by all that state in these Terms and Conditions at all times, as well as the provisions of which it is stipulated in the Agreement(s) that you will remain bound at all times.

15. General provisions

15.1 All notifications regarding the Agreement(s) must be made in writing in the Dutch language and can only be made available personally or by registered post, courier, fax or email and must be sent to the relevant addresses and fax number of which Lendahand and you as Investor inform each other from time to time. A notification takes effect as soon as it is received and is deemed to have been received the moment it is made available (if personally handed over, or sent by registered mail or courier) or the moment it is successfully sent (if sent by fax or email).

15.2 In the event of a merger or a split of Lendahand, the legal successors of Lendahand can exercise all rights and authorities under the Agreement(s) independently and comply with all the obligations of Lendahand under the Agreement(s). Lendahand can transfer, in full or in part, the legal relations with the Investor and the rights, duties and additional rights forming part of it to a third party. Upon the applicability of the Terms and Conditions you provide your permission for this contract transfer.

15.3 However, you as Investor cannot transfer your rights and obligations under the Agreement(s) to a third party. If a provision of these Terms and Conditions is invalid or not enforceable, this does not withstand the validity or the enforceability of any other provision of the Terms and Conditions. Such an invalid or unenforceable provision will be replaced or will be deemed to have been replaced by a provision that is deemed valid and enforceable and of which the interpretation approaches the nature and intent of the invalid or unenforceable provision to the extent possible.

15.4 Lendahand can decide, without the permission of the Investors, to amend these Terms and Conditions if the changes are of a non-material nature and changes are of formal, subordinate and technical natures that do not affect the interests of the Investors. Changes of these Terms and Conditions are notified to the Investors by email. If an Investor notifies Lendahand in writing within twenty (20) Working days upon receipt of the amended terms and conditions that he/she does not agree with the amended terms and conditions, then the original Terms and Conditions will remain applicable for the duration of the relevant Investment. You explicitly agree to the electronic sending of the Terms and Conditions.
